The Essential First Step.

DELEGATE OVERVIEW

Bringing to you the leading international best practice and collaboration efforts for Damage Prevention

OCEANIA DAMAGE PREVENTION CONFERENCE

GOLD COAST CONVENTION & EXHIBITION CENTRE

Queensland, Australia

August 20-23, 2018

"The inaugural conference will deliver international education and understanding on damage and injury prevention, showcasing Australian initiatives to the rest of world and demonstrating firsthand, the thinking and commitment to damage prevention from other countries."

Stuart Burdack, Chief Executive Officer

Association of Australian Dial Before You Dig Services

The Benefits of Attending

Why Should I Attend?

The inaugural Oceania Damage Prevention Conference (OceaniaDPC) is your chance to discover how the world approaches damage prevention and safe excavation. Over the course of three days, hear how international leaders are optimising internal processes, adopting new technologies, and gaining operational efficiencies to revolutionise productivity. See how organisations are addressing the challenges faced on a daily basis with their asset protection initiatives, concerning communication, work safety and the ongoing impacts these have to their business.

Not only will you hear from industry-leading experts and gain a solid understanding of best practices across the damage prevention space, but through the learnings taken away from OceaniaDPC, you will be given a real opportunity to impact change within your own organisation. There has never been a more exciting time to be part of the damage prevention community. Don't miss out!

Join other dedicated stakeholders diverse in geographic origin and industry background at OceaniaDPC to:

- **Learn** from case studies, panel discussions and international keynote presentations on the best practice in damage prevention today
- **Understand** how to adapt to the industry and the changing environmental impacts of damage prevention
- **Gain insight** into the communication efforts organisations are using to increase awareness across the industry
- **Discover** how the fundamental '5 P's of Damage Prevention – Planning/Prepare/Pothole/Protect/Proceed' can become the standard for your organisation
- **Discuss** via interactive panel discussions new approaches to damage prevention, from technology to utility location that you can take back and begin implementing straight away.

Conference Programme

The conference programme is packed with panel discussions, key note presentations, case studies and workshops. We have scheduled industry specific streams, which means you can easily tailor your days to attend the sessions that are of greatest relevance and interest to you.

Plenary Sessions

- Critical Learnings of Damage Prevention Legislation from Around the World
- National Infrastructure Damage & Injury Prevention Summit
- C-Suite Panel: Taking National Damage Prevention into the Future

Stream 1: Damage Prevention

- Accidental HDD Strikes on Buried Pipelines: How Big is the Issue and Can it be Prevented?
- Damage Investigation Best Practices
- Effective Damage Prevention Education Programs from Around the World
- Focus is Always Safety: How Tandem & Telstra Partner and Collaborate on Rolling Out the Telstra Global HSE System
- Gold Shovel Standard: Certification for Excavators
- Intelligent Machine Control
- New Zealand Telecommunications Act and How It Effected Change
- Safe 4 the Right Reasons
- Unknown Damages and the Long Term Effect: How Hidden Damage Can Close Down an Entire International Airport
- What Does CGA Do for the North American Damage Prevention Industry?

Stream 2: Dial Before You Dig

- An Increasing Concern: Third-Party Interference Damage on Buried Pipelines
- APA Way to Stop Damage to Its Assets
- DBYD's Best Public Awareness Programs
- DPIWE Leads the Way: Partnering with DBYD to Identify and Protect Tasmania's Heritage Sites
- Future Congestion of Public ROW Due to Major Expansion in the Fibre Small Cell Wireless Industry
- How Do You Put a Value on Damage Prevention When No Damage Occurs?
- IDR/SA Water Case Study
- Protecting Ballarat's Living Assets
- Successful Facilitation of Communication Between Damage Prevention Stakeholders
- Tracking Damages: North America vs Australia – How Can We Improve?

Stream 3: Utility Location

- Achieving Standardisation and Quality through an Integrated Utility Mapping and Workforce System
- AS5488: A Paradigm Shift in how Industry Deals with Underground Utilities
- DBYD Locator Certification Program: Improving the Quality of Locates
- Dealing with and Locating Abandoned Facilities
- Future of Utility Location
- How and Where to Use GPR to Improve Locates
- ISO Standard for SUI Classification: Combining PAS/AS/ASCE into One
- Locating the Unlocatable: Deep Non Conductive Assets
- Reality Capture Solutions for Damage Prevention

* Sessions may be subject to slight alteration should the need arise

Wednesday Networking Event

Step outside the OceaniaDPC floors and connect with damage prevention industry professionals from around the world. Join us for the very first OceaniaDPC-hosted Wednesday Networking Event. Held at the Star Hotel, located in Broadbeach, the event is a stone's throw away from the Gold Coast Convention Centre. With live music, food, and drinks this is an evening not to be missed by all full conference attendees.

Register today at OceaniaDPC.com

“All facets of the industry, from asset owners, contractors and vendors, are brought together at this Conference.”

Neil Weatherly, Manager – Access & Approvals, APA Group

Accommodation & Venue

Welcome to the Gold Coast

The Gold Coast is a metropolitan region on Australia's east coast. It's famed for its long sandy beaches, surfing spots and system of inland canals and waterways. It's also home to theme parks such as Dreamworld, Sea World and Wet'n'Wild. Hiking trails crisscross Lamington National Park's mountain ridges and valleys, home to rare birds and rainforest. Gold Coast has consistent and enjoyable weather, beaches, and family-friendly attractions.

Accommodation Options:

The Star Gold Coast:

Conveniently located next to the Gold Coast Convention Centre the Star is accessible via a walk bridge.

To book use the Discount code: [PEL190818](#)
