Q & A regarding Optic Fibre Locators Accreditation:

- What do I need to do?

*Firstly send in your expression of interest. Coates Hire Training will send you a list of the Telstra requirements to attend the training.*

- What are some of these requirements?

*Telstra will be only engaging current APL's who have a minimum of 5 years locating experience including 3 years locating in regional areas. Please be aware that this experience is related to the individual APL – not the company being worked for.*

*You will need to own calibrated locating equipment capable of locating transponders.*

*As outlined in previous accreditation courses, certain business compliance and insurance documents will need to be provided.*

- How long is the course?

*The course will be completed in 2 days.*

- How much will it cost?

*Training and accreditation services will cost \$650.00 + GST per person*

- What if I do not pass the assessment?

*Participants must achieve 100% result in the assessment to gain accreditation and may have three attempts to do so if needed.*

- What about my copper cable accreditation?

*Most APL's are approaching the 2 year period where re-accreditation is due. This will be an online process and we will be letting you know all about this in the next month or so.*
